Memorandum

To: Jonathan B. Jarvis, Director
National Park Service
[Redacted]

From: *for* Robert A. Knox
Assistant Inspector General
for Investigations

Subject: Bureau Non-Responsive Designation

The Office of Inspector General (OIG) referred the following cases to your office on the date listed below "For Bureau Action as Deemed Appropriate – Response Required". As of this date, our office has not received responses to these referrals.

CASE NO.	TITLE	REFERRAL DATE	DAYS OVERDUE
OI-VA-11-0371-I	CAPE CANAVERAL NATIONAL PARK	11/15/2012	110

The Bureau was advised in April 2007 that our office will no longer maintain open case files indefinitely for matters that remain overdue and unresolved, and these matters will be reported to the Secretary's Office as well as to Congress in our semi-annual reports. Therefore, we are closing these case files with a non-responsive designation.

We ask that your OIG Liaison continues with their efforts to resolve the issues referred to your office, and when we receive your response, it will be annotated in our case management system. If you have any questions, please contact me at (202) 208-4357.
