Dear Ms. Dumais:

This is a follow-up to our letter to Mr. Ruch dated September 21, 2015. We stated in that letter that we will take the June 4, 2015 request into consideration as we approach our annual planning process for reviews to initiate in fiscal year 2016.

Our office has decided to do an inspection regarding the issue raised in the June 4, 2015 letter and your clarification letter of September 28, 2015. We will contact you about the results of our inspection when it is completed.

Sincerely,

A handwritten signature in black ink that reads "Mary L. Kendall". The signature is fluid and cursive, with the first name "Mary" and last name "Kendall" clearly legible.
