Subject: FY 13 Officer Statistics

Good morning Captains, please see attached FY 13 Officer Statistics Report generated this morning. Please take a look at the numbers and share with your LEOs. You know better than I do if there is reason for concern. You know what LEOs were on details, light duty, had recruits and so forth. Again, please address any issues you see. Understand, Director Ferrell has clearly indicated his expectations of LEOs issuing a minimum of 100 VNs per year, and as you can see we have approximately 70% of LEOs (excluding BZ) who fall below that number. I know for FY 13 we hired new LEOs, had LEOs doing collateral duties as FTOs, LEOs on light duty and other circumstances.

For FY 14, I expect these numbers to increase substantially......If anyone has any questions, please feel free to call me......Thank you......ABAN
